Sims Patrick Studio Wins IIDA Award of Merit for Graylyn's Mews Redesign

WINSTON-SALEM, NC - The 9th annual International Interior Design Association (IIDA) Georgia Chapter Best of the Best Forum Design Awards took place February 27, 2014 at 200 Peachtree Street, in Atlanta, GA. Taking home an Award of Merit for Small Hospitality was Sims Patrick Studio.

Sims Patrick Studio redesigned the Mews at Graylyn International Conference Center in 2012. Once a private stable for the Bowman Gray family at the estate, the Mews has found much more purpose these days boasting 35 guest rooms, conference meeting space, a private dining area, and fitness facilities.

"We couldn't have been more pleased with the work that Sims Patrick Studio did to the Mews at Graylyn," says Tina Fullard, Director of Marketing. "From the first time we sat down together to the time the project was finished they were completely professional, and their creative work was truly masterful."

IIDA was founded in 1994 as the result of a merger of the Institute of Business Designers (IBD); the International Society of Interior Designers (ISID); and the Council of Federal Interior Designers (CFID). The goal of the merger was to create an international association with a united mission that would represent Interior Designers worldwide. Since that date, IIDA has worked to convene communities of Interior Designers across regions and specialties representing the interests for the entire community.

"We are so happy for our friends at Sims Patrick for receiving this award, and we look forward to working with them in the future," says Fullard.
